Dear Parents and Guardians,

After second semester, the weeks in Trimester 3 go by quickly as we finish up the school year. In order to prepare students for high school expectations, we have told your sons and daughters that **most** assignments will not be accepted if they are late. We understand that there may be special circumstances that will require flexibility. Those assignments that are accepted late may have a penalty.

When assignments are not handed in, a zero will be put in Power School.

All assignments, both daily and long term, should still be written in the agenda by your son or daughter. If for some reason the agenda book is not filled in, please check our web pages for the daily assignments.

We appreciate your support in a combined effort to help your sons and daughters make the end of the school year a successful and positive experience as well as the continuation of a smooth transition to high school.

Sincerely,

Red Teachers
